**The Johnstown  
Heritage  
Discovery  
Center**

Experience the hardships and accomplishments of America's immigrants through the Johnstown Heritage Center's many interactive exhibits.

The Johnstown Flood Museum recreates the catastrophic 1889 flood and the rebuilding of the city through artifacts, exhibits and an Academy Award Winning documentary.

The entire family will thrill at the sights viewed from the steepest vehicular inclined plane in the world. Attractions include a restaurant and pub, sculpture trail, souvenir shop and one of the largest free-flying flags in the U.S.

**\*PLUS TAX**

**Price based on double occupancy and availability.**

**Please call for triple and quad rates.**
